

Group Facilitators Wanted !

Hearing Voices Network NSW is in need of facilitators to run Self-Help Groups for voice hearers throughout Metropolitan Sydney and Regional NSW.

The groups are social groups not therapy groups so no special skills or experience is required, only a brief induction course which is provided by the Network.

We are currently operating groups in Surry Hills, Randwick and Parramatta, and have targeted two new groups for Sutherland and Tweed Heads to commence very soon. Further new groups are in planning for commencement throughout 2010 and beyond.
